

# PermaNet®

Screen | by VESTERGAARD

Enjoy long-term protection against mosquitoes with PermaNet® Screen

READ ENTIRE LABEL & INSTALLATION GUIDE BEFORE USE.  
USE ONLY FOR PROTECTION OF HUMANS FROM BITING MOSQUITOES.  
RETAIN THIS LABEL FOR REFERENCE.

## Directions for Use

It is a violation of federal law to use this product in a manner inconsistent with its labeling. Wear waterproof, rubber or non-permeable protective gloves when handling the screen. Apply screens prior to start of mosquito season or every 24 months. Screens are pretreated with insecticide and no retreatment is required/possible.

## Installation

**For doors, windows and porches, stretch screen when installing for optimal fit and appearance.**

Additional tools required: spline tool with roller wheels, utility knife, screen spline (if existing spline is damaged)

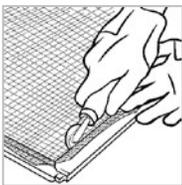

1. **Remove the old screen** from the window, door or porch frame. *If removing from a wooden frame:* remove the old screen using the claw side of a hammer or a pry bar to take out any staples or nails holding the screen in place. *If removing from a metal or vinyl frame:* using a screwdriver, pry the spline (rubber seal) up from the frame

2. **Unpack the PermaNet® Screen fabric** Using scissors or a utility knife, cut the screen 1 inch larger and wider than the frame on all sides.

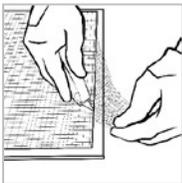

3. **Pull the screen** as tight as you can

around the frame. *If applying to a wooden frame:* secure screen using nails or heavy duty staples at 0.3 – 0.5ft (10-15 cm) spacing. *If applying to a metal or vinyl frame:* lay the spline

out around the window frame channel on top of the screen. Using a spline tool, force the spline and screen into the frame channel.

4. **Cut away any excess screen** with a utility knife.

## Care and Maintenance

If the screen gets dirty or dusty, wipe down with a damp cloth with warm water and a mild non-alkaline detergent.

## USE RESTRICTIONS

Do not open the original packing until ready to use. Do not allow children to handle the product. The screen is intended for use only as a carrier of the incorporated insecticide and is not to be taken internally by humans or animals.

PermaNet® Screen, containing deltamethrin insecticide, has been specially formulated using patented insecticide release technology. The screen kills mosquitoes (*that can transmit Zika, Dengue, Chikungunya and West Nile Virus*) that may negatively affect human well-being and quality of life. The screen, when installed in doors and windows, provides a dual barrier by preventing mosquitoes from entering houses. Mosquitoes are killed when they land on the screen where they contact and absorb the insecticide.

## STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

**Pesticide storage:** Store the product in its original packing until the time of actual use. Store the product in a cool, dry place away from children and pets.

**Pesticide disposal and container handling:** Do not reuse the packaging. Do not use the used screen for any other purpose other than the intended and recommended use. The used screen can be shredded and then disposed of in the trash.

## IMPORTANT NOTICE: DISCLAIMER

Read "IMPORTANT NOTICE: DISCLAIMER" before buying or using. If terms are not acceptable, return at once unopened. The directions for use of this product are believed to be adequate and must be followed carefully, but it is impossible to eliminate all risks inherently associated with the use of this product. Ineffectiveness or other unintended consequences may result due to factors such as weather conditions, presence or absence of other materials, or the manner of use, all of which are beyond the control of Vestergaard or the seller. To the extent consistent with applicable law, Vestergaard S.A. MAKES NO WARRANTY, EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OR FITNESS FOR A PARTICULAR PURPOSE OR OF MERCHANTABILITY. Some states do not allow for limitations or disclaimers of implied warranties, so the above limitation may not apply to you. To the extent consistent with applicable law, Vestergaard shall not be liable for consequential, special, indirect or incidental damages resulting from the use of handling of this product. To the extent consistent with applicable law, the exclusive remedy of the user or buyer for any and all losses, injuries or damages resulting from the use or handling of this product, whether in contract, warranty, tort, negligence, strict liability, or otherwise, shall not exceed the purchase price paid or at Vestergaard's election, the replacement of product. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation may not apply to you. The foregoing conditions of sale and warranty can be varied only with an agreement in writing signed by a duly authorized representative of Vestergaard.
