

PermaNet®

Screen | by VESTERGAARD

Enjoy long-term protection against mosquitoes with PermaNet® Screen

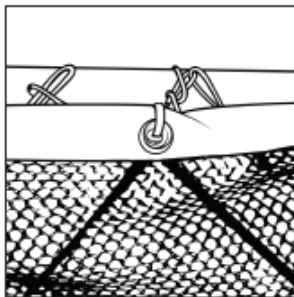

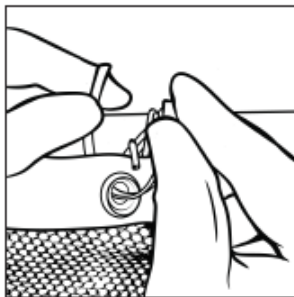

READ ENTIRE LABEL & INSTALLATION GUIDE BEFORE USE.
USE ONLY FOR PROTECTION OF HUMANS FROM BITING MOSQUITOES.
RETAIN THIS LABEL FOR REFERENCE.

Directions for Use

- It is a violation of federal law to use this product in a manner inconsistent with its labeling.
- Wear waterproof, rubber or non-permeable protective gloves when handling the screen.
- Apply screens prior to start of mosquito season or every 24 months. Screens are pretreated with insecticide and no retreatment is required/possible.

Installation

Additional tools required: plastic ties or fence fasteners.
Ensure the fastener is long enough to fit around your fence post.
Feed the plastic ties or fence fasteners through the grommet spacing to securely attach PermaNet® Screen to fences or railings of decks and porches. Particular attention should be paid to installing PermaNet® Screen in shaded areas behind vegetation, around the crawl space of a building where mosquitoes rest, near mosquito breeding spots (drains, bird baths, standing water, used tires) and near areas where people congregate (seating areas, porches, decks).

Applying PermaNet® Screen onto a straight fence

Zip tie one side, pull the material all the way across and zip tie the other end and then zip tie the remaining grommets.

Applying PermaNet® Screen to fence with corners/ sides

Zip tie one end and work your way across the fence to ensure the material "hugs" the fence corners for the best possible fit.

Care and Maintenance

If the screen gets dirty or dusty, wipe down with a damp cloth with warm water and a mild non-alkaline detergent.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.
Pesticide storage: Store the product in its original packing until the time of actual use. Store the product in a cool, dry place away from children and pets.
Pesticide disposal and container handling: Do not reuse the packaging. Do not use the used screen for any other purpose other than the intended and recommended use. The used screen can be shredded and then disposed of in the trash.

Produced for

Vestergaard Frandsen Inc., 1920 L Street NW,
Washington DC 20036, USA
